

# REGGAE ARMY - CHILDREN OF REGGAE

## Event Background

Reggae army is to encourage under 18s to embrace the reggae music culture. We feel reggae music is not given the same exposure or platforms as other genres of music. In the UK Reggae music is not shown on mainstream television and very limited on mainstream radio stations. We would like to ensure that reggae music in the UK stays alive by the youth of today as they're our future.

## Aims:

- Encourage young people to embrace reggae music
- Promote emerging artist of all age groups
- Foster the promotion of vocal talent we have in the UK
- Increase knowledge of reggae music and its origins
- Support with literacy

## Objectives:

- Provide vocal and performance coach workshops
- Provided with a mentor
- Be involved with performances and productions
- We are looking for singers under 16 years old (to sing one song?)
- History of Reggae Music
- Literacy through music
